From the President

Luke 24:32 "And they said one to another, Did not our heart burn within us, while he talked with us by the way, and while he opened to us the scriptures?"

My favorite account of the resurrection appearance of Christ in the Scripture is found in Luke 24:13-35. It was a great blessing to my heart when I was in Israel to be on the Emmaus Road. As I walked along the road and took in the sights, smells and sounds as I felt the gravel under my feet, I could not help but think what it must have been like to walk on this very road with the resurrected Messiah? What was it like to hear the Lord open the Scriptures and tell of His death and resurrection? What was it like to partake in a meal with the Lord? And what was it like when He was revealed to them? We are told in verse 32 that there was

something special that happened when this mysterious man spoke with them. Their hearts burned within them. O my dear friends, we need hearts that are aflame for our resurrected Savior! What was it that set their hearts aflame? It was the words of the Lord Jesus as He talked with them. And what did He talk to them about? He taught them of His death and resurrection from Moses to the prophets or from Genesis to Malachi. No wonder their hearts burned within them as they heard the Master Teacher survey the Old Testament while teaching its Christological content.

My dear friend, is your heart ablaze for the Savior? Does your heart burn within you as He speaks to you through His Word, or as you hear His Word preached? If the fire has gone out, ask the Lord to rekindle it. Ask Him to give you a fire that

burns within. Ask Him to come alongside as you journey on your "Emmaus Road." Then go and tell others "what things were done in the way. "
